State Public Defender, in consultation with the California Public Defenders Association and others, to study appropriate workloads.

AB 625 (Stats. 2021, Ch. 583) Adds GC 15403

Here is the relevant text of new GC 15403

(a) Subject to an appropriation of funds ... or other measure ..., the State Public Defender, in consultation with the California Public Defenders Association and other subject matter experts, shall ... assess appropriate workloads for public defenders and indigent defense attorneys ... [by] January 1, 2024.
BACKGROUND CHECKS

No misdemeanors must be reported for working with children

AB 1171 (Stats. Ch. 626) Amends PC 11105.3 and Pub. Resources 5164

[GB: Before this bill, the law had required the employer of people getting licenses, jobs, or volunteer positions with supervisory or disciplinary power over minors, to notify parents or guardians if a background check showed that the person had a conviction for a misdemeanor PC 290 offense. This bill appears to remove that requirement, although the employer can still ask about them.

[It also conforms to the repeal of the spousal rape section, PC 262 and its inclusion into PC 261, the general rape section.]

Amended PC 11105.3, subdivision (c).

(c) (1) When a request [made to DOJ by a human resources agency or an employer] reveals that a prospective employee or volunteer has been convicted of a violation or attempted violation of [PC] 220, 261.5, 262, 273a, 273d, or 273.5, former Section 262, or any sex offense listed in Section 290, except for [PC 243.4, subd. (d)] …, and where the agency or employer hires [that person], [they] shall notify the parents or guardians of any minor who will be supervised or disciplined by the [person]….

(2) The notification requirement … shall not apply to a misdemeanor conviction for violating Section 261.5 or to a conviction for violating Section 262 or 273.5. Nothing in this paragraph shall

**CALIFORNIA PUBLIC RECORDS ACT**

*California Public Records Act recodified and made “user friendly”*

**AB 473 (Stats. 2021, Ch. 614)** Delayed effective date, to January 1, 2023.

The CPRA is an increasingly important investigative tool for criminal law practitioners. See, e.g., “Peace Officers” for amended PC 832.7. Much info needed for the Racial Justice Act, PC 745, can be had through the CPRA.

This bill moves (recodifies) the California Public Records Act (CPRA, aka PRA) from GC 6250 et seq. to 7920.000.

It amends or rewrites many §§ to make the CPRA more “user friendly.”

It makes conforming changes to some 460 other statutes; see below.

[In other words, effective January 1, 2023, the California Public Records Act (CPRA) is recodified from GC 6276.50 et seq. to GC 7920.00 et seq.]

[See below for discussion of the 460 other Code Sections affected.]
Govt. Code § 7920.100:

“Nothing in the CPRA Recodification Act of 2021 is intended to substantively change the law relating to inspection of public records. The act is intended to be entirely nonsubstantive in effect....”

Uncodified section 8 of A.B. no. 473 says,

“This act [recodifies] the [CPRA] ... in a more user-friendly manner without changing its substance..

Of particular importance to the criminal law bench and bar are the recodifications of the following:

Part 5, Chapter 1, sections 7923.600 et seq.

Article 1: Law Enforcement Records Generally 7923.600 to 7923.630

Article 2: ... Access to Law Enforcement Records. 7923.650 to 7923.655.

Article 3: Records of [Certain] Emergency Communications ... 7923.700

Article 4: Records ... Relating to Crime Victims 7923.750 to 7923.755

Article 5: Firearm Licenses and Related Records 7923.800 to 7923.805.

Note: Until Jan. 1, 2023, the “CPRA Recodification Act of 2021” will be a useful guide in interpreting the existing CPRA.

See “Peace Officers,” below, and PC 832.7 for access to certain bad acts records of cops under the CPRA.

460 other sections of this bill make non-substantive amendments to the California Codes conforming to the recodification.

Most changes look like this one from Evidence Code section 1157.7:
The provisions of Chapter 3.5 Division 10 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code …shall not be applicable to the committee records and proceedings.

COURTS

See “Rules of Court” for Amendments to the Comment to Rule 8.1115(e) that apply to how the Superior Court can handle review-granted cases.

In-person access to the courts can be denied only when required by law or due to emergency.

AB 716 (Stats 2021, Ch. 526)
Heading of CCP, Pt. 1, Title 1, Ch. 6 rewritten; CCP 124 amended.

Heading of CCP, Pt. 1, Title 1, Ch. 6 as rewritten:
[CCP, pt. 1, title 1, ch. 6, art 1 Publicity of Proceedings Open Court Access

CCP § 124, as amended

(a) Except as provided in [FC 214] or any other provision of law, the sittings of every court shall be public.

(b)(1) The court shall not exclude the public from physical access because remote access is available, unless it is necessary to restrict or limit physical access to protect the health or safety of the public or court personnel.
(2) When a courthouse is closed, to the extent permitted by law, the court shall provide, at a minimum, a public audio stream or telephonic means to listen. This does not apply to other law that authorizes or requires a proceeding to be closed.

(3) “Remote access” shall include, but is not limited to, an audio stream that is available on an internet website or telephonic means.

[Despite the lack of express language in the bill, the legislative history shows that the official record of proceedings must be created to the same extent as a proceeding conducted in open court, and this bill does not permit admissibility of remote transcripts, unless otherwise provided by law. GB]

CRIMINAL PROCEDURE

Bifurcation or separation of Gang Participation Charges, or Gang Enhancements, from Non-Gang Charges.

AB 333 (Stats. 2021, Ch. 669) Adds PC 1109

This is part of the “STEP Forward Act,” which also makes major substantive changes to PC 186.22, gang crimes. See Crimes, and, also, see Enhancements.

Here is the text of new PC 1109: (paragraph breaks added for clarity GB)

(a) If requested by [Def.] a gang enhancement under [PC 186.22, subds. (b) or (d)] shall be tried in separate phases as follows:
(1) The question of [Def’s.] guilt of the … offense shall be first determined.

(2) If [Def] is found guilty of the underlying offense …, there shall be further proceedings to the trier of fact on … the truth of the enhancement…

(b) If [Def] is charged with … [PC 186.22, subd. (a)], this … shall be tried separately from … counts [without elements requiring] gang evidence ….

This charge may be tried in the same proceeding with an [enhancement allegation under PC 186.22, subds. (b) or (d)].

[Note the distinction between different phases of the same trial, on the one hand, and, on the other hand, an entirely separate trial.]

Three mitigating factors P must consider in plea bargaining.

AB 124 (Stats. 2021, Ch. 695) Adds PC 1016.7

See “Postconviction Relief,” and “Criminal Procedure”: other parts of AB 124.

Here is the text of new PC 1016.7:

(a) In the interest of justice, and … to reach a just resolution, [P] shall consider during plea negotiations, among other factors, the following … [mitigating] factors … if any of [them] were a contributing factor…:

(1) [Def.] has experienced psychological, physical, or childhood trauma, including, …. abuse, neglect, exploitation, or sexual violence.

(2) [Def] is a youth, or was … at the time of the … offense.
(3) Prior to the ... offense, or during the ... the offense, [Def] is or was a victim of intimate partner violence or human trafficking.

(b) A “youth” ... includes any person under 26 ... on the date [of incident].

In-custody Defendant Who Refuses to Come to Court

AB 700 (Stats 2021, Ch. 196) Amends PC 977, 1043, and 1043.5

Background: When an in-custody Def refuses to come to court for the start of their trial, or preliminary hearing, courts often order a “cell extraction” (or “forced cell removal”), whereby jailors forcibly drag D from the cell, often violently. This bill permits courts to deem the trial to have started in D’s absence, thereby avoiding cell extractions.

PC 1043, is amended by deleting a phrase, and adding new subd. (f):

[e](4) Proceed with the trial if the court finds the defendant has absented himself voluntarily with full knowledge that the trial is to be held or is being held in [Def’s] absence as authorized in subdivision (f).

(f)(1) A trial [is] deemed to have commenced in [Def’s] presence ..., if the court finds, by clear and convincing evidence, all of the following …

(A) [Def] is in custody and is refusing, without good cause, to appear in court on that day for that trial.

(B) [Def] [is informed] of their right and obligation to be ... present ....

(C) [Def. is] informed that the trial will proceed without [Def].
(D) [Def is] informed that [Def has] the right to remain silent [at] trial.

(E) [Def. has been told] that ... absence without good cause will [be] a voluntary waiver of any ... right to confront [Ws] ... or to testify ....

(F) [Def] has been [told] whether ... defense counsel will be present.

(2) The court shall state ... the reasons for [its] findings and [they must] be entered into the minutes.

(3) If the trial lasts for more than one day, the court [must] make the[se] findings ... anew for each day that [Def] is absent.

(4) This ... does not apply [if Def] was ... present ...at [the trial’s start].

[Note: This may have accidentally eliminated the court’s former option of proceeding with a misdemeanor trial in the absence of a Def. who was present the 1st. day of trial but absent after that. This may be fixed in the coming legislative session.]

PC 977 is amended by adding a new subdivision (d) similar to the language in PC 1043, subdivision (f), above

PC 1043.5 [preliminary hearings] is amended by adding new subd. (e)

//////////////////////////////////////////////////////////////////////////////////

Defense, by a human trafficking V, of coercion, expanded.

AB 124 (Stats, Ch. 695) Amends PC 235.23

For other aspects of AB 124, see immediately below, and see “Enhancements.”

Being a V of human trafficking was, formerly, a defense, except to charges of serious or violent felonies. This amendment permits this to also be a defense to “serious felonies.”

Here is amended PC 235.23, subd. (a):
(a)... [It] is a defense ... that [Def] was coerced to commit the offense as a direct result of being a human trafficking [V] at the time ... and had a reasonable fear of harm. This ... does not apply to a serious felony, as defined in subdivision (c) of Section 1192.7, or a violent felony, as defined in [PC 667.5, subd. (c)] subdivision (c) ...

[Amended PC 235.23 also adds more methods, beyond those listed in PC 236.2, of proving that a Def. was a V of human trafficking. GB]

Defense by a V of intimate partner violence, or sexual violence,

AB 124 (Stats, Ch. 695) Adds PC 235.24
For other aspects of AB 124, see immediately above, and see “Enhancements.”

New PC 236.24.

(a)...[It] is a defense to a ... crime that [Def] was coerced to commit [it] as a direct result of being a [V] of intimate partner violence or sexual violence at the time ... and had a reasonable fear of harm. This ... does not apply to a violent felony, as defined in [PC 667.5, subd. (c)].

(b) [Def] has the burden of [proving this]... by a preponderance ....

(c) Certified records of a ... court or governmental agency docu-
menting [Def’s.] status as a [V] of [the above], including identification of [this] by a peace officer and certified records of [specified] immigration proceedings, may be presented to establish [this] defense...[,] even if [Def] was not [then]... identified as a [V].

New Laws 2022
(d) [This] defense may be asserted at any time before [pleading] guilty or nolo contendere or [admitting to] the charges and before the conclusion of any trial for the offense. If asserted before the preliminary hearing ..., [this] defense shall, upon request by [Def], be determined [then].

(e) If [this defense] prevails ..., [Def] is entitled to ... the following...:

(1)(A) The court shall order that all records ... be sealed ....

(B) Records that have been [so] sealed ... may ... utilized by law enforcement for ... investigatory purposes involving [other] persons....

(2) [Def] ... shall be released from all penalties and disabilities resulting from the charge, and all actions and proceedings by law enforcement ..., courts, or ... government employees that led to the charge shall be deemed not to have occurred.

(3)(A) The person may in all circumstances state that they have never been arrested for, or charged with, [that] crime ..., 

(B) [Def] may not be denied rights or benefits ... based on the arrest or charge or their failure ... to disclose [anything about] those events.

(C) [Def] may not be ... charged or convicted of perjury or ... of giving a false statement by reason of having failed to disclose [anything about the arrest, charge, or etc.].

[Note by GB: this para. (e)(3) may not apply in federal proceedings.]

(f) If, in a [WI 602 proceeding] the juvenile court finds that ... [this] defense ... is established by a preponderance ..., the court shall dismiss the proceeding and order the relief prescribed [WI 786].
CRIMES

See also Criminal Procedure for defenses to crimes.

(AB 333 (Stats 2021, Ch. 699) Amends PC 186.22

For other aspects of this Act, see: “Criminal Procedure,” and Enhancements, concerning sentencing on the gang enhancements.

This aspect does four things: (1) shortens the list of predicate offenses; (2) the current charge cannot be a predicate offense; (3) the benefit to the gang must be more than reputational; (4) modifies how criminal street gang is defined.

1. Shorter list of predicate offenses for a pattern of gang activity. A “pattern of criminal gang activity” is conviction of two or more of a list of specified offenses within a specified period, on separate occasions or by 2 or more persons.

This bill removes looting, felony vandalism, and five specified personal identity fraud violations (such as felony theft of an access card, or fraudulent use of an access card) from that list of crimes.

That list is at PC 186.22, subdivision (e). Before this bill, that list included 33 offenses or types of offenses, formally listed at PC 186.22, subds. (e)(1) to (e)(33).
Now, PC 186.22, subd. (e), is divided into two subdivisions, (e)(1), and (e)(2) [discussed below]; and the list of predicate offenses includes only 26 offenses or types of offenses, listed at PC 186.22, subds. (e)(1)(A) to (e)(1)(Z).

As part of this amendment, PC 186.22, former subd. (j) has also been repealed. Former subd. (j) concerned those now-eliminated five personal identity fraud violations.

Note that what looks like a change of the listed drug offenses, is actually not a change. PC 186.22, former subd. (e)(4) used to cover the drugs listed in HS 11054, 11055, 11056, 11057, and 11058. [Those are the 5 “schedules” of controlled substances.] Now, PC 186.22, new subd. (e)(1)(D) covers the drugs listed in HS 11007, which defines “controlled substance” as a drug listed in those 5 schedules.

2. Added is new subdivision (e)(2): The currently charged offense shall not be used to establish the pattern of criminal gang activity.

3. The predicate offenses must have commonly benefited a criminal street gang in a way that is more than “reputational,” (see PC 186.22, subd. (e)(1) as amended), as specified in PC 186.22, added subd (g).

Here is PC 186.22, subd. (e)(1).

(e)(1) “[P]attern of criminal gang activity” means the commission of, attempted commission ..., conspiracy to commit, or solicitation of, sustained juvenile petition for, or conviction of two or more of the following ..., provided ... [that] the last of those ... [was] within [3] years after a of the prior offense, and the offense and within [3] years of the ... current offense ..., [they] were committed on separate occasions or by two or more persons-members, the offenses commonly benefited a criminal street gang, and the common benefit ... is more than reputational:
[Note that the amendment changes the word “persons” to “members.” See amendment discussed below … that defines a gang as “organized.”]

Here is PC 186.22, new subdivision (g):

(1) … [T]o benefit, promote, further, or assist means to provide a common benefit to [gang] members … [that] is more than reputational.

Examples of a common benefit that are more than reputational may include, but are not limited to, financial gain or motivation, retaliation, targeting a perceived or actual gang rival, or intimidation or silencing of a potential current or previous witness or informant.

[Note: former subdivision (g) is re-lettered as subdivision (h), and so forth].

4. The definition of “criminal street gang” is changed: now the gang must be more than an “organization”: now it must be an “organized organization.”

Here is amended PC 186.22, amended subdivision (f):

(f) … “[C]riminal street gang” means any ongoing organization, association, an ongoing, organized association or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more of the criminal acts enumerated in paragraphs (1) to (25), inclusive, or (31) to (33), inclusive, of subdivision (e), having a common name or common identifying sign or symbol, and whose members individually or collectively engage in, or have engaged in, a pattern of criminal gang activity.

What is the difference between an “ongoing organization” and an “ongoing organized association;” and how is it proven that this gang is “organized”?

23
New Laws 2022
Guidance is found in the Senate Public Safety Committee report for July 6, 2021, quoting from a supporting argument by the San Francisco Public Defender’s Office, a co-sponsor of this bill (brackets in original):

In San Francisco, ... any knowledgeable community member will tell you “there are no organized Black criminal street gangs,” our Black clients who live in housing project areas have been prosecuted as gang members — for crimes like burglary or gun possession — even though the police testify that there is no formal leadership [no shot-callers], no hierarchy, no economic organization, no initiation process, no specific colors or articles of clothing, no code of conduct, etc. Thus, entire neighborhoods are criminalized on the basis of “he was in this picture on Instagram, or he was in this rap video throwing hand signs.”

So, perhaps “organized” can by proven by such things as “shot-callers,” “hierarchy,” “economic organization” “initiation process,” “specific colors,” “articles of clothing” “or a “code of conduct.” Note that “colors” and “clothing” alone probably will not suffice, since they were part of the definition before this amendment.

See also this bill’s uncodified Section 2, subdivision (g): “The STEP Act was originally enacted to target crimes committed by violent, organized criminal street gangs ([PC] 186.21 ...).” [Note the word: “organized”]

PC 186.21 is the “Legislative findings and declarations” of the original STEP Act. Here is an excerpt:

It is the intent of the Legislature in enacting this chapter to seek the eradication of criminal activity by street gangs by focusing upon patterns of criminal gang activity and upon the organized nature of street gangs, which together, are the chief source of terror created by street gangs.
**Spousal Rape no longer separate from rape; it is part of PC 261.**

**AB 1171 (Stats. 2021, Ch. 626.)** Repeals PC 262, amends PC 261, and others. See also: **Background Checks**, and **Evidence**.

This bill repeals the spousal rape section, PC 262, and amends PC 261 to include spousal rape.

From the Legislative Counsel’s Digest: [Paragraph break added for clarity]

This bill ... repeal[s] the provisions relating to spousal rape ..., thereby making an act of sexual intercourse accomplished with a spouse punishable as rape if the act ... meets the definition of rape, except that sexual intercourse with a person who is incapable of giving legal consent because of mental disorder or developmental or physical disability would not be rape if the two people are married.

Here is amended PC 261, subdivision (a)(1) and (a)(2):

(a) Rape is an act of sexual intercourse accomplished with a person not the spouse of the perpetrator, under any of the following circumstances:

1. **If** a person is who is not the spouse of the person committing the act is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act…. **This ... does not preclude the prosecution of a spouse committing the act from being prosecuted under any other paragraph of this subdivision or any other law.**
(2) Where if it is accomplished against a person’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

[PC 261, subd. (a), retains paragraphs (3) to (7), which are ways of committing rape, such as where the person is prevented from resisting by alcohol or drugs, each with changes like those of para. (2).]

[Note how this amended statute works: Subd. (a)(1) first says that sexual intercourse with a person unable to give legal consent because of disability is rape unless the two people are married. It then says that the spouse can be prosecuted for sexual intercourse under any of the other circumstances listed, such that the act was accomplished by force.]

[Note: This bill also makes conforming changes to some 73 other sections, including among others, EC 1036.2, 1103, and 1107; and some 47 sections of the PC. Many strike out 262, and add: “former section 262.”]

Nunchakus no longer illegal.

SB 827 (Stats. 2021, Ch. 434)

Amends PC 16590, & 18010; repeals PC 22010, 22015, 22090; adds PC 22296

PC 16590 is the PC’s definition of “generally prohibited weapons.” The amendment deletes former subd. “(r), A nunchaku, as prohibited by Section 22010.”

PC 18010 is a list of crimes for which P may bring an action to enjoin as being a nuisance. This bill deletes former subdivision (a)(10), “[a](10) Section 22090, relating to a nunchaku.”

PC 22040, 22015, and 22090, all relating to nunchakus are repealed.

Here is added is PC 22296:

... [A] “billy,” “blackjack,” or “slungshot” does not include a nunchaku.
**New Laws 2022**

What is a Nunchaku? The definition, PC 16940 remains on the books.

“... [N]unchaku” means an instrument consisting of two or more sticks, clubs, bars, or rods to be used as handles, connected by a rope, cord, wire, or chain, in the design of a weapon used in connection with the practice of a system of self-defense such as karate.

[There is no “savings clause” preserving existing prosecutions. So, this bill is retroactive to cases not final on appeal. *(In re Estrada (1965) 63 Cal.2d 740)*]

**The automatic partial relief from arrest records and conviction records program extended.**

**AB 145 (Stats. 2021, Ch. 80)** Amends PC 851.93 and 1203.425

Background and comments by GB.

This procedure, which has not yet taken effect, was first enacted in 2019 by AB 1076 (Stats 2019, Ch. 578). Its original effective dates for arrests (PC 851.93) and convictions (PC 1203.425), were delayed and, now, are to start on July 1, 2022, subject to funding.
Originally this program only applied to arrests and conviction occurring after its effective dates.

This new law, which was effective July 16, 2021, applies this procedure to arrests and convictions occurring on or after January 1, 1973.

The requirements are: Def. successfully completed probation, or, on an infraction or misdemeanor with no probation, completed sentence over a year ago; Def. is not PC 290 registered; and not on supervision, not serving a sentence, and not charged with a crime; and the sentence did not include prison.

When this automatic relief is applied to particular arrest and conviction records, the court is prohibited from disclosing them.

This will probably provide considerable relief from these records. The reach back, from the present to 1973, should increase this a lot.

But there are major limitations to this procedure. (1) The records are not otherwise sealed: DOJ can disclose them as provided by law, although DOJ’s records are updated to show that relief was granted. There are other exceptions also; see, e.g., PC 1203.425, subd. (a)(4.)

(2) There is no requirement that Def. be notified, although judges are supposed to tell them of this relief-possibility when they are first sentenced.

(3) This is a complex, multi-step, and yet-untried, procedure.

These limitations are likely to cause some mistakes and uncertainty about whether relief was granted, and what that relief really means.

From the original Legislative Counsel’s Digest for AB 1076:

This bill ... [as of] Jan[.] 1, 2021, ... subject to an appropriation ..., require[s] [DOJ], ... monthly ..., to review the records in ... statewide criminal justice databases and to identify persons ... eligible for relief by having their arrest ..., or ... conviction records, withheld from disclosure, as specified.
The bill ... require[s] the department to grant relief to an eligible person, without requiring a petition or motion....

The bill ... require[s] an update to the state summary criminal history information to document the relief granted.

The bill ... require[s] [DOJ], on a monthly basis, to electronically submit a notice to the superior court having jurisdiction over the criminal case, informing [it] of all cases for which relief was granted.

The bill ... prohibit[s] the court from disclosing information concerning an arrest or conviction granted relief, with exceptions.

The bill ... authorize[s] [P] or probation department, [up to] 90 ... days before ... [Def's.] eligibility ..., to file a petition to prohibit [DOJ] from granting automatic relief for ... conviction records.... If the court grants that ..., the bill ... prohibit[s] [DOJ] from granting relief, but [Def] ... [is] ... eligible for relief through other existing procedures, including petitions to the court.

.... The bill ... require[s] a court, at the time of sentencing, to advise each [Def] of their right to conviction relief pursuant to ... this bill, ....

From the Legislative Counsel’s Digest for this year's AB 145

“Existing law, commencing July 1, 2022, subject to an appropriation ... requires [DOJ], on a monthly basis, to review the records in the statewide criminal justice databases and to identify persons ... eligible for arrest record relief or automatic conviction record relief by having their arrest records, or their criminal conviction records, withheld from disclosure or modified....

Under existing law, an arrest or conviction record is eligible for this relief if, [inter alia], the arrest or conviction occurred on or after Jan[.] 1, 2021.

This bill ... instead allow[s] an arrest or conviction that occurred on or after January 1, 1973, to be considered for relief.
When probation or mandatory supervision is transferred, and the new court grants criminal record relief, the original court must be told.

ENHANCEMENTS.

See “Sentences,” below.

See Postconviction Relief, below.

Mitigating circumstances that favor dismissing enhancements.

SB 81 (Stats. 2021, Ch. 721) Amends PC 1385

New PC 1385, subdivision (c):

(1) The court shall dismiss an enhancement if it is in the furtherance of justice to do so, except if dismissal ... is prohibited by any initiative ....

(2) In exercising its discretion ..., the court shall ... afford great weight to evidence offered by [Def] to prove that any of the mitigating circumstances in subparagraphs (A) to (I) are present.

Proof of ... [any] of these ... weighs greatly in favor of dismissing the enhancement, unless the court finds that dismissal ... would endanger public safety. “Endanger public safety” means there is a likelihood that the dismissal ... would result in physical injury or other serious danger to others.

(3) The court may exercise its discretion at sentencing, [or] before, during, or after trial or entry of plea.
(A) ... [T]he enhancement would result in a discriminatory racial impact as described in [the Racial Justice Act, PC 745, subd. (a)(4)].

(B) Multiple enhancements are alleged in a single case. [If so], all enhancements beyond a single enhancement shall be dismissed.

(C) The application of an enhancement could result in a sentence of over 20 years. [If so], the enhancement shall be dismissed.

(D) The ... offense is connected to mental illness.

(E) The ... offense is connected to prior victimization or childhood trauma.

(F) The ... offense is not a violent felony [in PC 667.5, subd. (c)].

(G) [Def] was a juvenile when they committed the ... offense or any prior juvenile adjudication [triggering] the enhancement .... .

(H) The enhancement is based on a prior ... over five years old.

(I) Though a firearm was used ..., it was inoperable or unloaded.

(4) The circumstances ... in paragraph (2) [Sic: probably should be (3)] are not exclusive and the court [can] dismiss or strike an enhancement in accordance with subd[.] (a).

(5) For ... subparagraph (2)(D) [Sic, probably should be (3)(D)] ...., a mental illness is a mental disorder as identified [in the DSM-5, or future editions or revision of the DSM], [listing several examples] but excluding antisocial personality disorder, borderline personality disorder, and pedophilia.
A court may conclude that [Def’s.] mental illness was connected to the offense if ... the court concludes that [Def’s.] mental illness substantially contributed to [Def’s.] involvement in the ... offense.

(6) [Definitions]: (A) “Childhood trauma” [defined at length]. (B) “Prior victimization” [defined at length].

(7) This ... [applies only] to sentencings ... after [Jan. 1, 2022].

[Note that circumstances (c)3(B) and (c)3(C) say that if they apply, the court “shall” dismiss the enhancement, but the others in (c)(3) do not. Perhaps this means that the “great weight” given to those two circumstances is 100%, but they still can’t be dismissed if that would endanger public safety.]

Gang Enhancements: The Step Forward Act of 2021
AB 333 (Stats 2021, Ch. 699) Amends PC 186.22

For other important aspects see Criminal Procedure, and Crimes.

This bill extends the sunset date of the sentence provision in PC 186.22, subd. (b)(3).

From the Legislative Counsel’s Digest

Here, from section 3 of this bill, is PC 186.22, subd. (b)(3) as it will read until January 1, 2023, unless that date is deleted or extended. (This is unchanged from the subd. (b)(3) as it read before this bill.)
(3) The court shall select the sentence enhancement that, in the court’s discretion, best serves the interests of justice and shall state the reasons for its choice on the record at the time of the sentencing in accordance with the provisions of subdivision (d) of Section 1170.1.

Here, from section 4 of this bill, is PC 186.22, subd. (b)(3) as it will read after Jan. 1, 2023, unless the sunset proviso in Section 3 is deleted or extended.

(3) The court shall [impose] the middle term of the … enhancement, unless there are circumstances in aggravation or mitigation. The court shall state the reasons for its choice … on the record ….

Note: sections 3 and 4 have the same text for all of PC 186.22, except for subdivision (b)(3), and for the sunset clause. In other words, even if Subd. (b)(3) does sunset on Jan. 1, 2023, the entire rest of PC 186.22 will be unchanged.

(1) Information consisting of complaints concerning conduct occurring more than five years before the event or transaction that is the subject of the litigation in aid of which discovery or disclosure is sought.

(2) Facts sought to be disclosed that are so remote as to make disclosure of little or no practical benefit.

Amended PC 832.5, subd. (b).

(b) Complaints and any reports or findings relating to these complaints, including all complaints and any reports currently in the possession of the department or agency, shall be retained for a period of at least five years. In sexual assault trials, evidence of V’s “manner of dress” excluded on the issue of consent.

**AB 1171 (Stats. 2021, Ch. 626)**

Amends EC 1103

See “Background Checks” and “Crimes for other aspects of AB 1171.

Note: EC 1103 concerns consent. EC 782 concerns credibility.

This amendment makes “evidence of the manner in which the victim was dressed” inadmissible “on the issue of consent,” with no exceptions.

From the Legislative Counsel’s Digest for AB 939 [making the same change].

[Before this bill, the law] prohibit[ed], [in trials] ... of specified sex crimes, [admitting] evidence of the manner in which [V] was dressed, when offered ...] on the issue of consent, unless the court [found it] relevant and admissible in ... interests of justice.

This bill ... prohibit[s] the court from admitting evidence, ... of the manner in which [V] was dressed, upon [i.e., “despite” GB] a finding that the evidence is relevant and admissible....

... The California Constitution provides that relevant evidence shall not be excluded in any criminal proceeding except as provided by statute enacted by a 2/3 vote of the membership of [Legislative] house ....

[This bill passed both houses by greater than ⅔ vote in each.]

The Substantive Change to EC 1103, subds. (c)(2) and (c)(3):

[c](2) ...[E]vidence of the manner in which [V] was dressed at the time of the ... offense shall be admissible ... on the issue of consent in any
prosecution for [a specified sex crime] (4), unless the evidence is determined by the court to be relevant and admissible in the interests of justice. 

... “[M]anner of dress” does not include the condition of [V’s] clothing before, during, or after the ... offense.

The Assembly Floor Analysis of September 3, 2021, for AB 939 “Comments” that “Evidence of what [V] was wearing is unlikely to [be relevant] to the issue of [whether V] consented to sexual contact or not.”

That Analysis also quotes an argument in support of this bill: “The only thing that examination of the clothing of sexual assault survivors does is further perpetuate sexist victim blaming, creating a society where perpetrators believe it is the victim's fault and where victims are shamed from reporting the crimes.”

///////////////////////////////////////////////////////////////////////////////////////////////////////////

“Rape Shield Law,” EC 782, definition of “Evidence of Sexual Conduct” now includes specified portions of social media accounts.

AB 341 (Stats. 2021, Ch. 241) Amends EC 782

From the Legislative Counsel’s Digest: (paragraph breaks added for clarity)

[EC 782] law sets forth the procedure required in any prosecution for rape or other specified offenses,..., if evidence of sexual conduct of [V] is offered to attack [V’s] credibility....

This procedure involves ... filing of a written motion by [Def], [with] an affidavit ... under seal stating an offer of proof, and, if ...the offer is [found] sufficient, a hearing out of the presence of the jury.... [After that] ..., the court may make an order stating what evidence may be introduced by [Def].

This bill ... defines “evidence of sexual conduct” ... to include the portions of a social media account about the complaining witness that depict sexual content, as specified, unless the content is related to the alleged offense.
Paragraph added to EC 782, re-numbered and re-lettered Subdivision (b)

(b)(2) As used in [EC 782], “evidence of sexual conduct” includes those portions of a social media account about the complaining witness, including any text, image, video, or picture, which depict sexual content, sexual history, nudity or partial nudity, intimate sexual activity, communications about sex, sexual fantasies, and other information that appeals to a prurient interest, unless it is related to the alleged offense.

From the Legislative Counsel’s Digest.

[PC 1473.7] allows a [Def] who is no longer in ... custody to [move] to vacate a conviction or sentence based on a prejudicial error damaging [Def’s] ability to ... understand, defend against, or knowingly accept the actual or potential adverse immigration consequences of a plea of guilty or [no contest].

This bill [in addition] authorize[s] a [Def] to make that motion based on a prejudicial error damaging to the moving party’s ability to ... understand, defend against, or knowingly accept the actual or potential adverse immigration consequences of a conviction or sentence [after trial].

[GB: This allowsDefs who went to trial and were convicted of a deportable crime when, e.g., they did not know they could have pled to a non-deportable one, to move to vacate the conviction.]

PC 1473.7, subdivisions (a)(1) and (e)(4), as amended.

(a) A person who is no longer in criminal custody may file a motion to vacate a conviction or sentence for any of the following reasons:

AB 3070 (Stats. 2020, Ch. 318) Rewrites CCP 231.7

(This 2020 law applies to criminal trials that start on or after Jan. 1, 2022; and civil trials that start on or after Jan. 1, 2026. GB)

(b) A party, or the trial court on its own motion, may object to the improper use of a peremptory challenge....

(c) [U]pon objection .... the party exercising the peremptory ... shall state the reasons [for] the peremptory ....

(d)(1) ... The court shall consider only the reasons [stated] and shall not speculate on, or assume the existence of, other possible justifications....
If the court [finds] there is a ... likelihood that an objectively reasonable person would view race [etc.] or perceived membership ... in the groups, as a factor in ... the peremptory .... the objection shall be sustained.

The court need not find purposeful discrimination to sustain the objection. The court shall explain the reason for its ruling on the record.

[The] A motion ... [is] deemed a ... presentation of claims asserting ... discriminatory exclusion ... in violation of the [U.S. and CA] Constitutions.

(2)(A) ... [A]n objectively reasonable person is aware that unconscious bias, ... [can] result[ ] in the unfair exclusion of potential jurors ....

(B) “[S]ubstantial likelihood” means more than a mere possibility but less than a standard of more likely than not.

(C) “[U]nconscious bias” includes implicit and institutional biases....

(e) A peremptory ... for any of the following reasons is presumed ... invalid unless the party exercising [it] ... show[s] by clear and convincing evidence that an objectively reasonable person would view the rationale as unrelated to a prospective juror’s race, [etc.] and that the reasons ... bear on the prospective juror’s ability to be fair and impartial....

(1) Expressing a distrust of or having a negative experience with law enforcement or the criminal legal system.

(2) Expressing a belief that ... officers engage in racial profiling or that criminal laws have been enforced in a discriminatory manner.
(3) Having a close relationship with people who have been stopped, arrested, or convicted of a crime.

(4) A prospective juror’s neighborhood.

(5) Having a child outside of marriage.

(6) Receiving state benefits.

(7) Not being a native English speaker.

(8) The ability to speak another language.

(9) Dress, attire, or personal appearance. (10) [to] (13) …

(f) [T]he term “clear and convincing” refers to the degree of certainty the factfinder must have in determining whether the reasons given for the … peremptory challenge are unrelated to the prospective juror’s … group membership, bearing in mind conscious and unconscious bias.

... [A] presumption of invalidity [is] overcome. [If the] factfinder … determine[s] … it is highly probable that the reasons given for the … peremptory … are unrelated to conscious or unconscious bias and are … specific to the juror and … that juror’s ability to be fair and impartial….

(g)(1) The following reasons for peremptor[ies] have historically been associated with improper discrimination in jury selection:

(A) The prospective juror was inattentive, or staring or failing to make eye contact.
(B) The prospective juror exhibited either a lack of rapport or problematic attitude, body language, or demeanor.

(C) The prospective juror provided unintelligent or confused answers.

(2) Those reasons … are presumptively invalid unless the … court … confirm[s] that the … behavior occurred, based on the court’s … observations or [those] of counsel for the objecting party. Even [then], the counsel offering the reason shall explain why [that] demeanor, [etc.] … matters ….

(h) Upon a court granting an objection to the improper exercise of a peremptory challenge, the court shall do one or more of the following:

(1) Quash the jury venire and start jury selection anew. This remedy shall be provided if requested by the objecting party.

(2) If the motion is granted after the jury has been impaneled, declare a mistrial and select a new jury if requested by the defendant.

(3) Seat the challenged juror.

(4) Provide the objecting party additional challenges.

(5) Provide another remedy as the court deems appropriate.

(i) This section applies [when] jury selection begins … after Jan[,] 1, 2022.

(j) The denial of an objection … shall be reviewed … de novo, with the trial court’s express factual findings reviewed for substantial evidence.

The appellate court shall not impute to the trial court any findings … that the trial court did not expressly state….
The reviewing court shall consider only reasons actually given ... and shall not ... consider reasons ... not given to explain either the party’s ... peremptory ... or ... the party’s failure to challenge similarly situated jurors ... not members of the same ... group ....

[If] the objection was erroneously denied, that ... [is] deemed prejudicial. the judgment shall be reversed, and the case remanded for a new trial.

(k) This section shall not apply to civil cases [until January 1, 2026].

(l) [T]his section shall not, in purpose or effect, lower the standard for judging challenges for cause or expand use of challenges for cause.

(m) If any provision of this section or its application is held invalid, that ... shall not affect other provisions or applications that can be given effect....

PC 4019 Sentence Reduction Credits for time in “1368” treatment.

SB 317 (Stats. 2021, Ch. 599) Amends PC 4019.

For another aspect of SB 317: misdemeanant “1368” treatment replaced with mental health diversion, dismissal or others, see immediately above.

[Background, by GB. Restoration to competency treatment has, in the past, been only in State Hospitals. Neither Jail or Prison sentence reduction credits have not been allowed for such time spent in treatment.

--------------------

56
New Laws 2022
In recent years, this treatment has been allowed in a slowly growing number of specially equipped and qualified county jails.

In 2018, PC 4019, subd. (a)(8) was amended to allow for normal county jail sentence reduction credits (4 days deemed served for every 2 actual (PC 4019, subd. (f)), for people being treated for restoration in those county jails.

From the Legislative Counsel’s Digest:

“This bill … extend[s] … conduct credits to persons confined in a state hospital or other mental health treatment facility pending their return of mental competency.

PC 4019, subdivision (a)(8), as amended:

[(a) Sentence reduction credits are allowed:] ....

More records of major misconduct available through the CPRA.

SB 16 (Stats. 2021, Ch. 402) Amends PC 832.7.
[Note, **SB 2 (Stats 2021, Ch. 409)**, has an identical amendment to PC 832.7, and technically, superseded SB 16; that makes no difference here. I include the text from SB 16 because this bill has the relevant legislative history.]

See “Evidence” for SB 16’s amendment of EC 1045, deleting the 5-year reach back limit, and conforming changes to PC 832.5.

From SB 16’s Senate Floor Analysis for Sept. 1, 2021:

“This bill expands the categories of police personnel records ... subject to disclosure under the California Public Records Act (CPRA) [under 2018’s **SB 1421**]; and modifies existing provisions regarding the release of records subject to disclosure....

“[E]xcept as specified, peace officer or custodial officer personnel records and records maintained by any state or local agency pursuant to citizens' complaints ... are confidential and shall not be disclosed in any criminal or civil proceeding except by [Pitchess] discovery.

“[PC 832.5, subd. (b)(1)(A)] [p]rovides that the following records ... shall not be confidential and shall be made available for public inspection pursuant to the CPRA:

“A record relating to the report, investigation, or findings of ...:

“(i) An incident involving the discharge of a firearm at a person by a peace officer or custodial officer; or

“(ii) An incident in which the use of force by a peace officer or custodial ... resulted in death, or in great bodily injury.

[PC 832.5, subd. (b)(1)(B):] Any record relating to an incident in which a sustained finding was made by any law enforcement agency or oversight agency that a peace officer or custodial officer engaged in sexual assault involving a member of the public.

“[PC 832.5, subd. (b)(1)(C):] Any record relating to an incident in which a sustained finding was made by any law enforcement agency or oversight agency of dishonesty by a peace officer or custodial officer, .... directly relating to the reporting, investigation [or prosecution of a
crime], or directly relating to the reporting of, or investigation of mis-
conduct by, another peace officer or custodial officer, including, but
not limited to, any sustained finding of perjury, false statements, fil-
ing false reports, destruction, falsifying, or concealing of evidence....”

This bill adds to the above categories of records obtainable under the CPRA,,
that is, those listed in PC 832.5, subd. (b)(1)(A)(i) and (ii) and PC 832.5, subd.
(b)(1)(C), the following four:

Two of the added four are in PC 832.5, subd. (b)(1)(A), at (iii) and (iv)

(iii) A sustained finding involving a complaint that alleges unreasona-
ble or excessive force.

(iv) A sustained finding that an officer failed to intervene against an-
other officer using force that is clearly unreasonable or excessive.

And two of the added four are PC 832.5, subd. (b)(1)(D) and subd. (b)(1)(E)

(D) Any record relating to an incident in which a sustained finding
was made by any law enforcement agency or oversight agency that a
[peace or custodial] officer engaged in conduct including, but not limited
to, verbal statements, writings, online posts, [etc.], involving prejudice ...
against a person on the basis of race, religious creed, color, national
origin, ancestry, physical [or] mental disability, medical condition, genetic
information, marital status, sex, gender, gender identity, gender expres-
sion, age, sexual orientation, or military and veteran status.
(E) Any record relating to an incident in which a sustained finding was made by any law enforcement agency or oversight agency that the peace officer made an unlawful arrest or conducted an unlawful search.

So, effective January 1, 2022, eight categories of records obtainable through the CPRA; these are listed in PC 832.5, subds. (b)(1)(A)(i) to (iv), and subd (b)(1)(B) to (E).

Note the different wording in these eight categories: an “incident” (“[PC 832.5, subds. (b)(1)(A)(i) and (ii)]; “Any record relating to an incident in which a sustained finding was made. (PC 832.5, subds. (b)(1)(B) to (E)); and a “sustained finding” (PC 832.5, subds. (b)(1)(A)(iii) and (iv).

Exceptions, restrictions, and explanations, on the availability of the above 8 categories of records under the CPRA are found in PC 832.5, subds. (b)(2) to (9), and (b)(11).

PC 832.5, subd (b)(2)(10) says the agency can charge the cost of copying the records, but not for the costs of searching for, editing, or redacting them.

PC 832.5, subd (b)(12) restricts application of the attorney-client privilege. The purpose of these restriction, according to the Senate Floor Analysis for September 1, 2021, are “to prevent the redaction of factual information that is uncovered in an investigation that is conducted by a public entity simply because they hire an attorney to conduct the investigation;” and to respond to agencies flouting of the law by allowing a court to impose civil penalties … for delaying disclosure of [these] records, and increasing attorney’s fees for litigation … to discourage violations … and increase compliance.”
Techniques that risk causing “positional asphyxia” are banned.

AB 490 (Stats. 407, Ch. 490) Amends GC 7286.5

[GC 7286.5 banned law enforcement agencies from authorizing the use of a carotid restraint or choke hold. This bill expands that prohibition.]

Here are the amended provisions of GC 7286.5 (paragraph break added)

[(a)](2) A law enforcement agency shall not authorize techniques or transport methods that involve a substantial risk of positional asphyxia.

¶…¶

[(b)](4) “Positional asphyxia” means situating a person in a manner [compressing] their airway [reducing] the ability to [adequately breathe].

This includes … any action in which pressure or body weight is unreasonably applied against a restrained person’s neck, torso, or back, or positioning a … person without … monitoring for signs of asphyxia.

Use of Force: Restrictions on use; duties when used, both expanded.

AB 26 (Stats. 2021, Ch. 403) Amends GC 7286

GC 7286, as amended.

(a)…. (1)“Deadly force” means any use of force that creates a substantial risk of causing death or serious bodily injury. Deadly force includes, but is not limited to, the discharge of a firearm.
(2) “Excessive force” means a level of force that is found to have violated [PC] 835a ..., the requirements on the use of force [in] this section, or any other law or statute.

(2) (3) “Feasible” [defined].

(4) “Intercede” includes, but is not limited to, physically stopping the excessive use of force, recording [it] ... documenting it [and others].

documenting efforts to intervene, efforts to deescalate [it] .... and confronting the offending officer about the excessive force during the use of force and, if the officer continues, reporting to dispatch or the watch commander on duty....

...(6) “Retaliation” [defined]

(b) Each law enforcement agency shall ... maintain a policy that provides a minimum standard on the use of force[,] [that] include[s] ....

[[(1) — (3)]

(4) A prohibition on retaliation against an officer that reports a suspected violation of a law or regulation of another officer to a supervisor or other person ... who has the authority to investigate the violation.

Relief from former 3-yr drug and 1-yr prison priors for prisoners

SB 483 (Stats 2021, Ch. 728) Adds PC 1171 and 1171.1

Background: Effective. Jan. 1, 2018, the 3-year enhancement for drug convicts who had specified drug priors (except for HS 11380, adult involving minors) was repealed. And effective Jan. 1, 2020, the 1-year enhancement for prison priors (except for sexually violent priors) was also repealed. But this was not retroactive to those serving sentences for those whose case was final on appeal. This bill fixes that.

From uncodified Section 1:

... [The] Legislature [intends] that ... this section ... not be a basis for [P] or [the] court to rescind a plea agreement....

New PC 1171.

(a) Any ... enhancement ... imposed prior to January 1, 2018, pursuant to [HS 11370.2] ..., except for [those for priors of HS 11380] is legally invalid.
(b) [CDCR] and [County jails] shall identify [Defs’] ... serving a term for [that] ... and ... provide [their names and other relevant information], to the ... court [that imposed the enhancement] .... as follows:

1. By March 1, 2022, for [Defs] who have served their base term and any other enhancements and are [now] serving [the enhancement] term .... [O]ther enhancements [are deemed] to have been served first.

2. By July 1, 2022, for all other individuals.

(c) Upon receiving [that] information .... the court shall review the [matter]. If the court determines that the ... judgment includes [a described] enhancement ... the court shall recall the sentence and resentence [Def].

The review and resentencing shall be completed ....

1. By October 1, 2022, for individuals who ... are currently serving [the enhancement]....

2. By December 31, 2023, for all other individuals.

(d)1. Resentencing ... shall result in a lesser sentence ... unless the court finds by clear and convincing evidence that imposing a lesser sentence would endanger public safety. ....

2. The court shall ... apply any other changes in law that reduce sentences or provide for ... discretion [to do so]....

3. The court may consider postconviction factors, including, but not limited to, [Def’s] disciplinary record and record of rehabilitation .... evidence that reflects whether age, time served, and diminished physical
condition... have reduced [Defs] risk for ... violence, and evidence that reflects [changed] circumstances so that continued incarceration is no longer in the interest of justice.

(4) Unless the court originally imposed the upper term, the court may not impose a sentence exceeding the middle term unless there are circumstances in aggravation [to justify that].... and those facts have been stipulated to .... or have been found true beyond a reasonable doubt at trial by the jury or by the judge in a court trial.

(5) The court shall appoint counsel.

(e) The parties may waive a resentencing hearing. If the hearing is not waived, [it] may be conducted remotely .... if [Def] agrees.

New PC 1171.1

[New PC 1171.1, for 1-year prison priors, is almost the same as new PC 1170, with the same schedule for providing relief.]

The Legislative History says up to 7,000 inmates are eligible.

Recall of Sentences: recodified and expanded.

AB 1540 (Stats 2021, Ch. 719) Adds PC 1170.03

See also, “Pilot program expanding sentence recall even more,” below.

This bill moves PC 1170, former Subd. (d)(1) [sentence recall], to new PC 1170.03.
Note: This bill’s uncodified Section 1 makes it plain that this bill is aimed mainly at the 35,000 (38%) of prisoners, many over age 50, who are serving life sentences, saving $83K per year per inmate.

From the Legislative Counsel’s Digest

Existing law authorizes a court, within 120 days after sentencing, …or at any time upon a recommendation from [CDCR], the Board of Parole Hearings, the district attorney, to recall an inmate’s sentence and resentence that inmate to a lesser sentence…. This bill … require[s] the court to state its reasons for a resentencing decision on the record…. [T]he court [must] provide notice to [Def], set a status conference … and appoint counsel…. The … court [can] grant a resentencing without a hearing, if the parties … agree[ ].

The bill … create[s] a presumption favoring recall and resentencing ….

Here is new PC 1170.03

(a)(1) When [Def], …, has been [sent to prison] or [county jail on a felony], the court may, within 120 days of the … commitment on its own motion, at any time upon the recommendation of [CDCR] or the Board of Parole Hearings [for a prisoner], the county [jail], [P] …. or the Attorney General if [DOJ] prosecuted the case, recall the sentence and commitment … and resentence [Def] …. whether or not [Def] is still in custody…

(A) Reduce [Def’s] term … by modifying the sentence.
(B) Vacate [Def’s] conviction and impose judgment on any necessarily included lesser offense or lesser related offense, whether or not that offense was charged [originally], and ... resentence [Def] to a reduced term ... with the concurrence of ... [Def] and [P].

[Note that reducing the term does not require anyone’s agreement, but vacating the judgment, and sentencing on, lesser included or related offenses does.]

(4) ... [The] court may consider postconviction factors, including, but not limited to, [Def’s] disciplinary [and rehabilitation] record ..., evidence that reflects whether age, time served, and diminished physical condition ... have reduced [Def’s] risk for ... violence, and evidence [showing] that circumstances have changed ... so that continued incarceration is no longer in the interest of justice.

The court shall consider if [Def] [has or had] psychological, physical, or childhood trauma, including, but not limited to, abuse, neglect, exploitation, or sexual violence, if [Def] was a [V] of intimate partner violence or human trafficking prior to or at the time of the ... offense, or if [Def] is ...or was a youth as defined ... at the time of the ... offense, and whether those ... were a contributing factor ... [of] the offense.

(5) Credit shall be given for time served.

(6) The court shall state on the record the reasons for its decision to grant or deny recall and resentencing.

(7) Resentencing may be granted without a hearing upon [stip.] ...
(8) Resentencing shall not be denied, nor a stipulation rejected, without a hearing [on that].... [Def] may appear remotely .... unless counsel requests their physical presence in court.

(b) [Except for resentencing on the court’s motion these apply]:

(1) The court shall provide notice to [Def] and set a status conference within 30 days .... The court[ ] ... shall ... appoint counsel [for Def.]

(2) There [is] a presumption favoring recall and resentencing .... which may only be overcome if a court finds [D] is an unreasonable risk of danger to public safety, as defined in [PC 1170.13, subd. (c)].

Requirements for signatures on appellate documents

Rule 8.75. “Requirements for signatures on documents,” is, in part, substantially rewritten, particularly at subd. (b). The Advisory Committee Comment at subd. (b) is completely rewritten.

New Laws 2022
Rule 8.304. “Filing the appeal; certificate of probable cause,” subd.

[The text of the Rule is not changed.]

Three additional paragraphs are added to the Comment to clarify Rule 8.1115(e)(1) and 8.1115(e)(3). These became effective on April 1, 2021.

Here is the heart of added paragraph 3 to the Comment on Subd. (e)(1):

[B]y ... administrative order of the Supreme Court, superior courts may choose to be bound by parts of a published Court of Appeal decision under review when [they] conflict with another ... appellate ... decision.

Here is the heart of added paragraph 2 to the Comment on Subd. (e)(3):

... [W]hen the Supreme Court grants review of a published ... opinion, [it] may be cited, ... for its persuasive value, [and] for ... establishing the existence of a conflict in authority that ... allow[s] superior courts to exercise discretion under Auto Equity [Sales, Inc. v. Superior Court (1962)] 57 Cal.2d [450, 456, to choose between sides of [the] conflict.

SEARCH AND SEIZURE

Authority to Apply for a “Ramey arrest warrant” expanded.
What is a “Ramey Warrant”?

There are many types of arrest warrants. E.g.:

- When a criminal complaint is filed. (PC 813.)
- Upon an indictment if Def. is FTA arraignment. (PC 945, 979.)
- When Def. is FTA, a BW can issue. (PC 1195)
- When Def. may be violating supervision. (PC 1203.2)
- Without filing of criminal charges, the court may authorize a residential arrest by issuing a so-called Ramey warrant (People v. Ramey (1976) 16 Cal.3d 263, 127), now codified as PC § 817.

[When a search warrant is issued under PC 1524, existing law does not say who can apply for one. But a Ramey warrant currently requires a peace officer to apply.]

From Senate Report for the June 8, 2021, hearing:

“Existing law allows for a non-peace officer to supply probable cause for a search warrant. Courts have interpreted this to allow unsworn [i.e., not peace officers] investigators or prosecutors, among others, to supply the necessary probable cause for a search warrant....

Under existing law, when prosecutors seek an arrest warrant for a member of law enforcement, they ... need the cooperation of a peace officer ... to supply the judge with sufficient information to establish probable cause to arrest. Should a peace officer refuse to cooperate, the prosecutor remains unable to proceed with an arrest warrant.” [This bill changes that.]

PC 817, subd. (a), as amended by AB 127:

(a)(1) If **Before issuing an arrest warrant, the magistrate shall examine** a declaration of probable cause is made by a peace officer or, when the defendant is a peace officer, an employee of a public prosecutor’s office of this state, in accordance with [the requirements of this section] as ap-
The magistrate shall issue a warrant if there exists probable cause that the offense has been committed and that [Def] committed [it].

SB 567 (Stats 2021, Ch. 731) Amends PC 1170

See below for SB 567’s amendment to PC 1170.1

SB makes four main changes to PC 1170.

First: trials on aggravating factors. (PC 1170, subd. (b))

PC 1170 applies to felonies with three possible prison terms, lower (mitigated), middle, or upper (higher, or aggravated).

Before 2007, the middle term was the presumptive term, but the court could find aggravating factors outweighed and impose the upper term.
Cunningham v. California (2007) 549 U.S. 270, held that Def. cannot be sentenced to the upper term unless (except for prior convictions), a jury (or judge in a court trial) finds aggravating facts beyond a reasonable doubt.

In the “Cunningham fix” PC 1170 was amended to delete the provision that the middle term is the presumptive term, and, instead, permit the court to impose any of the three terms in its discretion.

This bill changes the Cunningham fix.

Now, the court (with the exception of aggravation for prior convictions) cannot impose the aggravated term unless aggravating circumstances have been found true beyond a reasonable doubt by a jury (or by the judge in a court trial, or have been stipulated to by the defendant)

The court, except when the aggravating circumstance is admissible to prove or defend against the charge or enhancement, (or is “otherwise authorized by law” [an undefined term]) must, on Def.’s request bifurcate the trial on the aggravating circumstances the trial of charges and enhancements.

Second: Certain “contributing” factors can mean the lower term . New Subd. (b)(6).

Third: Resentencing expanded and taken out of 1170, subd. (d), and moved to new 1170.03.

Fourth, For resentencing of juveniles who had received life without parole terms, two new mitigating factor for the court to consider. (new subd. (d)(8) and (d)(9)

(technical note: this is § 1.3 of SB 567, which incorporates here and in new PC 1170.03, changes made to PC 1170 by the earlier-passed bills of AB 124 and AB 1540.)

PC 1170 as amended (in relevant part)

(a) [Only minor technical changes from prior law.]

(b)(1) When a judgment of imprisonment is to be imposed and the statute specifies three possible terms, the court shall, in its sound discretion.
order imposition of a sentence not to exceed the middle term, except as otherwise provided in paragraph(2).

(2) The court may impose a sentence exceeding the middle term only when there are circumstances in aggravation of the crime that justify [that], and the facts underlying those circumstances have been stipulated to by [Def], or have been found true beyond a reasonable doubt at trial by the jury or by the judge in a court trial. Except where evidence supporting an aggravating circumstance is admissible to prove or defend against the charged offense or enhancement at trial, or it is otherwise authorized by law, upon request of a defendant, trial on the circumstances in aggravation alleged in the indictment or information shall be bifurcated from the trial of charges and enhancements. The jury shall not be informed of the bifurcated allegations until there has been a conviction of a felony offense.

(3) ... [T]he court may consider the defendant’s prior convictions in determining sentencing based on a certified record of conviction without submitting the prior convictions to a jury. This paragraph does not apply to enhancements imposed on prior convictions.

(b) When a ...(4)... [This concerns letters in mitigation and aggravation and is largely unchanged; some is now in new subd. (b)(5), below.]

(5) The court shall [state] on the record the facts and reasons for choosing the sentence .... The court may not impose an upper term by using the fact of any enhancement upon which sentence is imposed .... A [prison term] shall not be specified if imposition of sentence is suspended.

(6) ... [U]nless the court finds that the aggravating circumstances outweigh [such] that imposition of the lower term would be contrary to the
interests of justice, the court shall order ... the lower term if any of the following was a contributing factor in the commission of the offense:

(A) The person has experienced psychological, physical, or childhood trauma, including, but not limited to, abuse, neglect, exploitation, or sexual violence.

(B) The person is a youth, or was a youth as defined ... at the time of the commission of the offense.

(C) Prior to [or at the time of] the instant offense, .... the person is or was a victim of intimate partner violence or human trafficking.

(7) Paragraph (6) does not preclude the court from imposing the lower term even if there is no evidence of those circumstances ....

(c) [Unchanged. Court must state sentencing reasons; others.].

[Former subd. (d)(1), concerning recall of sentences, is moved to new PC 1170.03, and expanded. GB. Former subd. (d)(2) is now (d)(1), see “Postconviction Relief.”]

(d)(1)....

[From former subd. (d)(2) – now (d)(1) –, to former (d)(8) – which is now (d)(7) –, except for renumbering and relettering, the text is unchanged.]

[The following added text, new subd (d)(8) and (d)(9), like the rest of former subd. (d)(2)(A) to (d)(2)(K) (now (d)(1) to (d)(13)) has to do with resentencing juveniles (upon their petition) who had been sentenced as adults to life without possible parole and incarcerated for at least 15 years. GB]
(8)... [T]he court may also resentence the defendant to a term that is less than the initial sentence if any of the following were a contributing factor in the commission of the alleged offense:

(A) The person has experienced psychological, physical, or childhood trauma, including, but not limited to, abuse, neglect, exploitation, or sexual violence.

(B) The person is a youth, or was a youth as defined under subdivision (b) of Section 1016.7 at the time of the commission of the offense.

(C) Prior to [or at the time of this] offense... the person is or was a victim of intimate partner violence or human trafficking.

(9) Paragraph (8) does not prohibit the court from ressentencing the defendant to a term that is less than the initial sentence even if none of the circumstances listed in paragraph (8) are present.

[The remainder of the text of former (d)(2)(A) to (d)(2)(K), now (d)(1) to (d)(13) is, except for relettering and renumbering, unchanged.]

[Subdivisions (e) to (h) are all unchanged from prior law. In particular, County Jail Felonies (Realignment, AB 109) are still in subdivision (h).]

SB 567, Stats 2021, Ch. 731) Amends PC 1170.1

See above for SB 567’s amendment to PC 1170.

This similar to the main amendment to PC 1170, above, that requires that for aggravating factors to apply, there must be a trial, or an admission.

(d) [1] When the court imposes a [felony] sentence ... pursuant to [PC] 1170 or [PC 1168, subd.] (b) ..., the court shall also impose, in addition and consecutive to the offense ..., additional terms ... for any ... enhancements. Almost all, or all, drug offenses previously probation-ineligible, are now probation-eligible, or eligible in unusual circumstances.

**SB 73 (Stats. 2021, Ch. 537)**

Amends HS 11370, and 29820, rewrites PC 1203.7; & repeals PC 1203.073.

[Cautionary note by GB: Scattered portions of the legislative history say this bill ends mandatory denial of probation for all drug offenses. But there may still some for which, no matter what, probation cannot be granted.]

Discussion by GB of this complex bill:

**HS 11370 as amended:**

HS 11370, subdivisions (a), (b), and (c) had made the many drug crimes in those subdivisions flatly ineligible for probation.

SB 73 deletes all but two those offenses from HS 11370, subdivision (a). The crimes deleted are: 11350, 11351, 11351.5, 11352, 11355, 11357, 11359, 11360, 11363, 11366, and 11368. Still left are: 11353 and 11361, including “an offense referred to in those sections.”

103

New Laws 2022
For the remaining two (HS §§ 11353 and 11361, and crimes “referred to in those sections”), new Subd. (e), permits probation in unusual cases.

Subdivisions (b) and (c) of HS 11370 now include reference to new subdivision (e). So, the drug crimes listed in Subds. (b) and (c), which were formerly probation-ineligible, are now eligible in unusual cases.

PC 1203.07 as rewritten (technically, it is repealed, and added).

This section had listed many drug crimes for which probation could only be granted in unusual circumstances that now are generally.

Rewritten PC 1203.07, subdivisions (a) and (c), say that Def’s. convicted of violating HS 11380 by using a minor to commit specified drug crimes cannot get probation except in unusual cases where the interests of justice would best be served, and “the court shall specify on the record and shall enter into the minutes the circumstances supporting the finding.

PC 29820: Wards for certain offenses: can’t have a gun until age 30.

The amendment conforms to the repealer of PC 1203.07, and changes the mix of offenses, adjudication of wardship for which, the prohibition on gun ownership until age 30 applies.
